

OPTION 1 (5 days – Complete Open Water course) Available every day except Sunday

Prior to check in you will need to have a medical done in accordance to the Australian Standard AS4005.1 ([AS4005.1 Medical Questionnaire](#))

This can be done by your own GP in English or once you arrive in Cairns from the 24 hours medical centre located on the corner of Grafton & Florence Streets.

You will spend your first two days scuba diving at our training centre where you will put the basics you learnt with elearning into practice. Day 3, 4, and 5 are spent onboard Scubapro out on the Great Barrier Reef. Whilst on the reef you will do your 4 training/qualifying dives, which then completes your PADI Open Water Certification. After this you are able to go on and enjoy 5 more dives as a recreational diver, one of which is a night dive guided by your instructor. These dives on the Great Barrier Reef will be truly spectacular and memorable and the highlight of your course. On your return to Cairns passengers and crew get together in a local restaurant to celebrate the conclusion of your trip.

Day 1 in Cairns

- 12:30 Check in at Pro Dive's training centre, and complete the Quick Review Quiz
Join the Confined Water SCUBA Trainings (Pool session).
